My dear people:

From the early days of the Church, Christians recognized the importance of honoring the Blessed Mother. From the Holy Cross, Jesus presents to St. John, (and to the Church), the care of His Mother. Why would He choose to do this? Jesus does this because He understood more than anyone else, the importance of having a "Heart of Gold". Sr. Byrne, at the RNC this year, boldly proclaimed the power of the Most Holy Rosary. In this "weapon" Sr. Byrne states, "we find the powerful aid to convert sinners. God desires all of His children to return Home." Look up on YouTube, Sr. Dede Byrne at the 2020 RNC, to hear the full testimony. I challenge all of you to pick up your rosaries this month, to pray for the healing of our country. Ask Mary to place her mantle over the most ardent sinner. Pray for those who are lost in your own family. Intercede before the Throne Of God, using the Holy Rosary as a means of turning the Father's Heart towards us. God the Father loves the Blessed Mother. He never turns down her request. You are in the Hands of Mary when you pray the Rosary.
